

## Paper Presentation:

It is expected that authors of registered papers will be presenting (online) during the conference period November 26-28 2021 (similar to the face-to-face conference) and interact with other authors/speakers/guests during the entire conference. **The technical program schedule will be updated to the conference website by 18.11.2021,6PM.** We will try our best to make it a true virtual environment making options for networking parallel to technical sessions.

In addition to the camera ready final pdf version of the paper, for smooth/uninterrupted operation the Full Virtual (online) conference, **we need your video presentation of 10 minutes duration (MP4 format, maximum size is 100 MB) [PowerPoint slides with your voice narration or recording voice narrated presentation via zoom/gmeet].** We humbly request you to upload and share the video of your presentation by November 20 2021 with gmail id : [aespc.electronics@kiit.ac.in](mailto:aespc.electronics@kiit.ac.in). This file will be pre-screened by the TPC and we expect your cooperation in finalizing the presentation slides.

**On the day of the conference, you will need to be present in your session and depending on the connectivity, the mode of presentation will be finalized. I hope you understand the necessity of pre-loaded presentation in such a huge traffic condition. However, after the presentation, you are expected to answer the questions made by the Session Chairs and other participants. More detailed guidelines about the final presentation and joining the conference sessions will be available on the conference website.**

### Note:

- The name of the video file should be your paper id followed by the date of presentation. For example, the paper id is 50 and the date of presentation is 28 November, so the file name is 50\_28\_11.
- Upload your 10 minutes of paper presentation in google drive and share it with [aespc.electronics@kiit.ac.in](mailto:aespc.electronics@kiit.ac.in).
